

AWARDS MARK END OF BOY WEEK HERE

Prizes for Final Events Are
Given in Main Line
Theaters.

HUNDREDS TOOK PART

Boy Week in Lower Merion and Narberth came to an end Saturday night with the award of prizes to winners of athletic, marble, bugle, harmonica, kite flying and swimming contests held during the Main Line's activities. The awards were made by district chairmen in the Ardmore, Bala-Cynwyd, Narberth and Bryn Mawr theaters during the evening performances Saturday.

Hundreds of boys participated in the events, which were the most carefully planned and the best directed of any of a similar nature ever attempted on the Main Line. They were held under auspices of the Main Line Boy Council, of which Edward A. Carlson, Ardmore, is chairman. District chairmen were Frank H. Elmore, Bala-Cynwyd; Fred Walzer, Narberth; Harry Fried, Bryn Mawr, and George A. Mahl, Ardmore.

Last Friday, from 4 to 5 P. M., Lower Merion was ruled by Boy Scouts, who presided as township commissioners, school board directors, police heads and magistrates, and even patrolled beats as police officers during their hour of power.

Hold Final Meets.

On Saturday the final athletic meets, kite flying contest and swimming events were held, and prizes of medals or money were awarded the winners of these and other contests held throughout the week.

The only winners whose names are not available are the essay-writers in the schools who wrote on "Hobbies" last Tuesday. They received prizes of \$5 and \$2.50 respectively for first and second place in each school's contest, but the names have not as yet been given Superintendent S. Edgar Downs by the principals of the schools.

Boys to whom prizes were awarded Saturday night and the events in which they took part include the following:

CLUB MAY BUILD

Tennis Association Fostering Plans
For Expansion.

At an enthusiastic meeting of the Narberth Tennis Association last Wednesday night it was decided to distribute throughout the borough the prospectus of the proposed new club house. By enlarging the facilities of the club vacancies will be created which the club proposes to fill chiefly from local residents. The work will be in charge of the membership committee headed by E. P. Dold. An architect's sketch of the proposed clubhouse together with a detailed explanation of the club's plans will be published in next week's issue of Our Town.

FELLOWSHIP IS HOST

The Young People's Fellowship of All Saints Church will give its annual banquet and dance at the Montgomery Day School on Friday, June 1, at 6:30 o'clock. An orchestra has been engaged to play throughout the banquet and for dancing till 1 o'clock. A toastmaster, a good speaker and entertainment will make the evening an enjoyable one for those who do not care for dancing. Tickets may be procured from the committee or any member of the fellowship.

700 BOYS WERE THERE

The special matinee for the participants in Boys' Week, held Monday at the Narberth Theater, brought out 700 guests. They were treated to a showing of Buck Jones in "30 Degrees Below Zero." A speech was made by Boy Council Leader E. A. Carlson. Manuall Salasin, manager of the theater, was in charge, and was roundly cheered by his guests.

OPENS TODAY

This afternoon will see the official curtain raiser of the baseball season when Narberth will oppose the fast Jewish World Club of Philadelphia. The diamond has been groomed and the boys will be in shape, so hie yourself down to the playground for two hours of sport. What Manager Fred Walzer can't do with the excellent material available won't be worth mentioning.

The first twilight game of the season will be played on the playground this Wednesday with the Dunkirk Club.

MANY FROM HERE AT ROTARY CONFAB

Attend Conference of Clubs
in 50th District at
Shore.

Fourteen Rotarians from Bala-Cynwyd and Narberth and 33 from the Ardmore club attended the annual conference of 59 Rotary Clubs in the Fiftieth District, comprising Eastern Pennsylvania, South Jersey and Delaware, held Sunday, Monday and Tuesday in Atlantic City.

They heard Glen Mead, Philadelphia attorney and first International President, discuss the evolution of Rotary; Past International President Guy Gundaker, Philadelphia, demand "What Is Ideal Service?" and numerous others talks, including one by Rev. George Emerson Barnes, Overbrook, on "What Makes a Vocation Worthy?"

The importance of the individual Rotarian's being a "straight shooter" was stressed by second vice president of Rotary International, Leonard T. Skeggs, in another address.

Charles W. Ackley, Vineland, N. J., was elected district governor for next year to succeed Samuel C. Schmucker, of West Chester.

Al Hoxie's harmonica band, sponsored by the Ardmore club, was among the music-makers at the conference and parade.

Among the 1700 Rotarians at the conference were the following from the Bala-Cynwyd-Narberth club: Dr. and Mrs. E. S. Deubler, Mr. and Mrs. Guy Croyle, Mr. and Mrs. Hervey C. Keim, Mr. and Mrs. Walter G. Case, Mr. and Mrs. W. Russell Green and Messrs. William S. Howard, Charles B. Aldred, John A. Miller and Conrad J. Albrecht.

Russell Green reported his observations of the Atlantic City conference at the luncheon of the Bala-Cynwyd-Narberth club held Tuesday at the Cynwyd Club. James E. Carroll presided. R. S. Touhill, of Narberth, was a guest. The Ardmore club was addressed by the secretary of the Philadelphia club at its meeting yesterday on the subject of the forthcoming Minneapolis convention.

Announce Record-Making List of Lower Merion High Graduates

School Board Approves Tentative List of 131 Seniors Who
Will Receive Their Diplomas at June 5
Commencement.

Announcement of this year's graduating class of the Lower Merion High School was made Wednesday night at the May meeting of the School Board. It will be one of the largest in the history of the school.

One hundred and thirty-one Seniors were declared eligible to graduate by Superintendent S. Edgar Downs, and their names were approved by the School Board. The number is one more than the total of 130 names tentatively approved for graduation by the board at its May meeting of last year.

The 1927 graduating class was 137, and this year's will probably exceed that number after June 1, when additional Seniors, whose names are now withheld from the

list, bring their studies up to grade and win their teachers' endorsement. Last year's class was the largest to that time, the next largest being that of 1926, when 139 Seniors were graduated.

Spring entertainments at the high schools in Ardmore are well under way, with the end of the school year in sight. The Junior-Senior dance held last Saturday in the Junior High School gymnasium-auditorium followed the Junior High musical of the previous night and the Senior class plays given April 20.

Tonight the Senior High orchestra and vocalists will give their annual musical in the Junior High School auditorium. The events of the year will conclude

BOB ELMORE MADE PRESIDENT OF HI-Y

Election Held Friday—Senior
Grid Men Get Jerseys
Next Week.

Robert Elmore, captain-elect of football at Lower Merion High School, was made president of the boys Hi-Y Club at its annual election held at the Ardmore school Friday. It was his second presidency and the third one in the family. Bob is already head of his Junior Class and his dad, Frank H. Elmore, is president of the Bala-Cynwyd Neighborhood Club.

Other officers chosen by the Hi-Yers were vice president, W. Esrey; secretary, Ross Wilbur; treasurer, Fred Bates; chaplain, Mantz, and sergeant-at-arms, Jim Neely.

Outgoing officers whom these succeed are president Sam Barclay, vice president George Houghton, secretary Ossie Smith, treasurer James Henwood, chaplain William Kavanaugh and sergeant Bert Doherty.

Following the election, the club made arrangements for taking care of cleanup activities at the high school during the week of May 14. Each club at the school is taking turns supervising a series of clean-up weeks which are a feature of the spring activities at the school.

A feature of the coming week will be the awarding of football jerseys to the Senior Class lettermen of last fall's varsity eleven. This event will take place at assembly exercises either Tuesday or Thursday morning.

Graduating grid warriors who will get the sweaters will include Captain Allen Cook, Sam Barclay, John Baker, George Bottoms, Bill Blair, George Bridgeman, Sherman Coleman, Radley Cross, Irving Dohard, James Henwood, Parker Lloyd, Bill Means, Monroe Purse, Clyde Richardson, Ossie Smith and Waldon Vance.

The senior class is now making arrangements for the annual gift which it will present to the school

BAND SEEKS PRIZE

Lower Merion High School was pronounced the best in Eastern Pennsylvania in a contest held last Saturday in the Junior High School, at Ardmore. It was awarded the decision by Judges Adolph Vogel and Gardell Simons, of the Philadelphia Orchestra, after it had played three compositions: a march by Fred C. Patten, Narberth, its bandmaster; "Finlandia," by Sibelius, and "March of the Toys," by Victor Herbert.

Tomorrow the band will invade Harrisburg, 40 strong, to compete with winners of contests held in three other divisions of the State for the Pennsylvania championship. It will play the same compositions as it did last week. Bandmaster Patten hopes to win the State contest and take his boys to Juliette, Illinois, to compete in a national competition.

RULE FOR BETTER MILK IN SCHOOLS

Board Decides to Eliminate
Cheaper Grade Following
Complaints.

Decision to serve Lower Merion school children a better grade of milk hereafter, to open the school playgrounds Monday and to engage eight additional teachers for the 1928-29 term, was made by the School Board at its May meeting held in the Senior High School, Ardmore, Wednesday night.

A return to the use of A grade milk in the schools was decided upon after Superintendent S. Edgar Downs reported that school children and parents object to the B grade now being served. The change to a lower grade was made last fall when prices advanced for the A grade furnished by dairies before that time.

Mrs. J. C. Sellers, Merion, vice president of the board, presided in the absence of President William L. Austin, who attended a dedication service of the Bryn Mawr Presbyterian Church organ Wednesday night. Cynwyd member, Thomas Corson Yocom, acted as secretary in the stead of William J. Byrnes, Jr., who was reported recuperating from his recent operation for appendicitis.

In a statistical report for April, Superintendent Downs listed the school enrollment during the term at the record total of 4218, and during the month at 3909. The average attendance for the term was 3629, and for April, 3559, indicating a spring absence due to measles, mumps and an annually recurrent type of disease unofficially designated as spring fever.

COMMUNITY CLUB IN FINAL LUNCH

Varied Program Prepared for
Closing Meeting of the
Year.

WILL AWARD PRIZES

On Tuesday, May 15, at 1 o'clock the closing luncheon of the year will be held in the Girl Scout Room of the Community Building. Annual reports by club officers and chairmen of various committees will be followed by a short humorous program. Plans for next year were discussed at the meeting of the Executive Board at Mrs. Farmer's on Tuesday, May 8. Fine programs are promised and new plans for bigger and better classes are in store. The various chairmen would appreciate suggestions for improvement of club activities and especially does the club want new members.

The Montgomery County Federation meeting will be an all-day session at old St. Peter's Church, Barren Hill, Whitemarsh. Women's Club will be hostess and Mrs. A. B. Ross will preside. At 10:30 Mrs. Charles Musser, chairman of Delaware County Federation, will bring greeting. There will be an illustrated lecture, reports, a box luncheon followed by a pilgrimage through historic St. Peter's burial ground. There will be a flower show for which prizes will be awarded. Also prizes for tree planting, civic work and attendance at county meetings. Several autos driven by club members are to make the trip leaving Narberth Station soon after 9. Every club member who can go is urged to do so.

May 24 at 9:30 A. M. the Board of Directors is to meet at the home of Mrs. F. C. Torrey, 500 Essex avenue. Election of officers.

JOHN E. SIBBLE

John E. Sibble, a former Burgess of Narberth and its first Borough Solicitor, died at his home in Tioga last Sunday. Mr. Sibble was prominent in the early history of the borough, serving as Borough Solicitor from the formation of the borough until 1906, and as Chief Burgess from 1906 to 1908. He was also the first solicitor of the Narberth Building and Loan Association which was founded about 1908, and a member of the Narberth Fire Company.

He later moved to Frazer, but continued his law practice in Philadelphia. During his residence in the borough he lived on Essex avenue about two doors from the Narberth National Bank. Mr. Sibble is survived by his wife and one son.

RUMOR POLICE CHANGES

No Details Forthcoming, However,
Following Regular Committee
Session.

Rumors of contemplated changes in the Lower Merion police department followed the regular monthly meeting of the police committee of the township commission held Wednesday night at the township building in Ardmore. No definite information on the matter was forthcoming, however, and probably won't be until next week.

The meeting of the police committee was one of several held this week in preparation for the regular May meeting of the township commission, which will be held next Wednesday night in Ardmore.

LOCAL CLEAN-UP WEEK COMMENCES

Borough Forces Begin Monday to Collect Rubbish
from Homes.

OFFERS LAST CHANCE

For the benefit of skeptical residents it may be said that the proclamation on the first page of Our Town last week was official, legal, binding and O. K. generally. Cleanup week, as announced by the Boy Burgess, is scheduled for the 14th to the 19th of May inclusive. During this period the borough forces working through the highway department will co-operate to aid the householder in the annual job of cleaning up by removing all ashes, paper, rubbish and waste that has accumulated in cellars and attics during the past winter. After next week the regular summer schedule of one collection a month will go into effect, so it behooves people who wish to get their rubbish collected to have it ready in receptacles at the usual place for the borough men.

The success of Clean-up Week, however, rests largely on the individual householder. Without his co-operation it means nothing. Not only will his house be cleaner and neater, but fire hazards will be decreased and insurance costs lessened. Dividends of this nature, in health, in protection from disease, in security from fire, are assuredly worth the small effort required.

The reduction of fire hazards is one of the chief reasons for the existence of a Clean-up Week. Both inside the house and out inflammable material will accumulate in the best regulated households. Garages and cellars are probably the worst offenders, but they too yield up their offending material on the onslaught of determined housekeepers.

When possible cellars should be whitewashed since such treatment is equally good for preserving cellar walls and the health of those living within those walls.

WILL REGISTER CHILDREN

Health Examination Planned for
June 1.

Parents of children entering Narberth schools for the first time this fall are requested to register their children before June 1.

A health examination will be made of all children who have not been in school before on June 1 at the Narberth school. This will give each child a better opportunity in the fall and save time for both pupil and teacher.

The Mother's Council at its last meeting passed an amendment changing the date of regular meetings from the second to the third Monday of each school month.

The next regular meeting, therefore, will be held on Monday evening, May 21, at 8 o'clock in the Narberth School. There will be election of officers for the coming year and a talk by Miss Kenorkian, followed by a social evening. It is hoped that every member and all others who are interested will be present.

PLAN HARMONICA BAND

Plans are under way for the formation of a boys' harmonica band in Narberth. This was announced this week by Walter G. Case, who is sponsoring the project.

The group will be patterned after the successful bands of Philadelphia and Ardmore. Al Hoxey, famous leader of the city troupe, is helping in the formation of the borough harmonica band.

Membership will be open to boys between the ages of 10 and 16, who will be given free lessons in the use of the popular musical instrument. Fifty boys are wanted to sign up at once, in order to obtain membership at the beginning.

A meeting of youngsters interested has been called for Tuesday afternoon at 4 at the Narberth Theater. At that time the whole plan will be explained. In the meantime, boys may leave their names for Mr. Case at the Narberth Electric Shop.

They Pay Him

Douglas Fleming, of Ardmore, who, as treasurer of the senior class at Lower Merion High, is handling financial arrangements for the annual trip to Washington which the graduates will take June 4, 5 and 6. He has been treasurer of his class for the last two years and also has the distinction of being the only boy left in school who took part in the Radnor-Lower Merion football game of two years ago. He is a basketball letterman and has been active in soccer activities.

MAIN LINERS NAMED

Severtl on List Nominated by Poor Richard Club.

Several Main Line men are among those nominated for office by the Poor Richard Club for next year. They include George Maertz, of Ardmore, one of two nominees for second vice presidency; Howard F. Kairer, of Narberth, sole nominee for secretary, and John C. Armstrong, Bala; Arthur L. Dewar, Narberth; Edward F. Winslow, Bryn Mawr, and O. Howard Wolfe, of Radnor, who were among those named for three vacancies on the board of directors.

The nominations which were made by committee resulted in the unanimous selection of Lewis W. Wheelock for president. The annual election will be held at the clubhouse of the Poor Richard Club on May 21, from noon to 7.

Seek Camp Fund Aid

Sponsored by the Main Line Committee of the Girl Scouts of America, a rummage sale for the benefit of the Main Line Girl Scouts' camp fund will be held Thursday, May 17, in the front store of the new Ardmore Arcade, next door to Azpell's music store. Mrs. W. A. Dyer, 104 Woodside road, Ardmore, is chairman of the committee in charge of the sale, and contributions of clothes and household equipment may be sent to her.

Announce Recital

The Main Line School of Music, 107 Ardmore avenue, announces the annual spring recital by students of all departments to be held on Thursday evening, May 24, at 8.15, at the Woman's Club Building.

A recital by the younger students will be given the following week at the school.

Hold Banquet

The annual banquet of the Bishop Kendrick Council of the Knights of Columbus was held Wednesday night at the Brookline Square Club.

Charles Hackett, of Oakmont, was toastmaster. One of the most enjoyable speeches of the evening was made by Ira Thomas, coach of the Athletics. Over 250 people attended the affair.

about the Garden

THE LORD GOD PLANTED A GARDEN

The Lord God planted a garden
In the first white days of the world.
And He set there an angel warden
In a garment of white enfurled.
So near to the peace of Heaven
That the hawk might nest with the wren,
For there in the cool of the even
God walked with the first of men.
And I dream that these garden-closes
With their shade and their sun-flecked sod
And their lilies and bowers of roses
Were laid by the hand of God.
The kiss of the sun for pardon,
The song of the birds for mirth—
One is nearer God's heart in a garden
Than anywhere else on earth.

Here's real value!

GENERAL ELECTRIC
Refrigerator

There are three important things to consider when you buy a refrigerator. The mechanical quality of the product (its efficiency, its quietness, its simplicity, its cost of operation), the character of the organization which makes it . . . and the actual amount of shelf space it gives you for storing food.

You will be amazed to see how unusually roomy all the models of the General Electric Refrigerator are. The scientific-

cally designed, extremely compact chilling chamber allows the very greatest shelf space. The model illustrated, built for the use of a medium size family, has twelve square feet of shelf area.

Viewed from every angle, the General Electric Refrigerator represents extraordinary value. Compare it with all others. Come in and see the various models. Time payments can be arranged, if you prefer.

Don't Bite!

Each week some new way of getting money under logical pretences comes to the attention of the local papers. There is a vast army of highly trained, migratory solicitors who descend on the Main Line from time to time to collect what they can in as short a time as possible and then depart for some other point where "suckers are ripe."

Some of them have honest goods or services to sell; many are shady, fly-by-night rascals; some are deliberate liars, and few residents or merchants have the acumen to detect the false from the genuine.

One such case, recently recorded, was that of two swarthy Orientals who posed as representing an Ardmore shop. This was a deliberate fraud, and their goods were from one hundred to two hundred per cent. higher than those of similar quality for sale in the shop.

How can these people be avoided and what steps can be taken to protect oneself from their petty frauds and grafts?

First. Refuse to buy at the door, especially from strangers. Make this an inflexible rule, and train your servants to help you enforce it. There is no redress from dissatisfaction with a stranger, while with a local merchant, satisfaction is assured by his desire to continue in business permanently.

Second. If any peddler represents himself as being an agent of a recognized shop, detain him till you can call the shop. Then if necessary notify the police, and save your neighbors from being fleeced.

Far be it from us to advise anyone to be cynical about most matters, but a hard-boiled attitude toward unidentified and unintroductory strangers will often be a wise precaution. Believe absolutely nothing from these people until they have proved their identity and you have verified their credentials. Be slightly skeptical about solicitations from strangers over the telephone, and check up on anything that is dubious. If you are baffled by any matter of this sort, call this paper or someone else in a position to give accurate information.

By taking these minor precautions, that vacuous feeling of being "stung" can be avoided.

Around Town

The tennis season was officially opened—minus the ceremonies—last Thursday at the Narberth Tennis Club. Only the three upper courts are in use due to the slowness of the regrading work on the lower courts. President Jack Wine seems fully recovered from the broken ankle which incapacitated him at the end of last season. Mid-season form has been displayed by many members already.

At the other end of the borough on the playground last Saturday the candidates for the Narberth baseball team were put through their paces in a practice game with Gladwyne. With the field in shape and sore arms recovered from, the official opener this Saturday should provide plenty of sport.

The building operations on Haverford avenue go on apace, but the most distinctive thing about them at present is the amount of mud disgorged onto the street. When completed they will be stores and apartments of first-class appearance.

The faces of the returned shriners bear mute testimony to the potency of the Florida sun. All of them, we understand, became victims of mal-demer on the trip down, but the game was apparently well worth the candle.

The Fire House at its present status of reconstruction looks like a fish out of water. However, the Fire Company still functions so everyone may sleep at nights. "Business as usual" is the rule in the game room of the Fire House, where the pinocle sharks hold forth undisturbed by dust flying and riveters throbbing and stone masons chipping.

EXPECT BUSY COURT

The June Criminal Court at Norristown, the final term until September, promises to be a busy session for Judges and juries. In the office of Clerk of Courts Bechtel to date there have been returned 56 transcripts. Not all these cases will materialize, however, at the Court term next month, because a number of the defendants have already pleaded guilty and have been sentenced. Others will appear before the Court this month and enter pleas.

Mrs. S. E. Jefferis, of Forrest avenue, gave a delightful luncheon and bridge party on Wednesday at her home. Her guests included Mrs. John D'Autrechy, of Haverford; Mrs. Sidney McCord, of Elverson, Pa.; Mrs. Paul White, of Overbrook; Mrs. Carl Bickell, Mrs. William Meiklejohn, of West Philadelphia, and Mrs. H. E. Watson and Mrs. J. B. Smith, of Narberth.

Miss Alma R. Weigel, of Gilpin road, left Thursday for Hamilton, N. Y., where she is a guest at the junior prom of Colgate University. The Thimble Club had their annual outing Thursday when the members, Mrs. J. E. Caldwell, Mrs. J. F. Purse, Mrs. Agnes Rose, Mrs. John Van Ness, Mrs. R. H. Durbin, Mrs. A. H. Wilson, Mrs. A. E. Brown, Mrs. R. L. Beatty and Mrs. James MacMakin spent the day in Atlantic City.

Miss Betty Pierce, who makes her home with Mrs. H. B. Maxwell, of Rockland avenue, is spending the week-end at Bucknell University at a house party. She is the guest of Miss Emily Maxwell, who is a student at the university.

Mrs. Sidney McCord and her daughter, Sara, were guests of Mrs. S. E. Jefferis, of Forrest avenue, during the past week.

Monroe Purse, of Elmwood avenue, is spending the week-end visiting Bob Harris at Lehigh University. Bob is the son of Mr. and Mrs. J. S. Harris, of Merion avenue.

Mr. and Mrs. Howard Strong have moved from 331 Windsor avenue to their newly purchased home at 29 Narbrook Park. Mr. and Mrs. Arno Zillger and their son, Billy, and baby Anne, who formerly lived at 29 Narbrook avenue, have taken a home on Anthwyn road.

Miss Ida Buckman, of Windsor and Grayling avenues, has returned from a week's visit to New York and Dobbs Ferry.

Mr. and Mrs. Clarence Woolmington, of 23 Narbrook Park, gave a lovely dinner party Saturday at Whitehall (formerly the Casa Del Rey), in Haverford. There were 14 guests, all from out of town.

Mrs. Newlin Wismer, of 210 Essex avenue, is visiting her mother in Trenton, N. J., this week-end.

N. John W. Joyce, of 11 Narbrook Park, has been confined to her bed for the past few days with an attack of grippe.

The Junior Department of the Presbyterian Church was entertained last evening in the church by the teachers of the Sunday school. After the entertainment was over the "party" really started and a good time was had by all.

Mrs. G. Norman Gill, of 216 Dudley avenue, entertained the members of the welfare committee of the Women's Community Club, of which she is chairman, at luncheon and bridge last week. Mrs. C. A. Farmer, president of the club, was also a guest.

The gymnasium of the L. M. Jr. High School was transformed Saturday evening into a delightful ballroom with the academic atmosphere entirely hidden. Full length, brightly painted paper in futuristic design hung from the ceiling to the floor, and hid from view the various athletic equipment on the occasion of the annual junior-senior prom. Among the lovely ladies we noted were the Misses Ellen Shaw, Patty and Betty Sellers, Ruth Lee and Betty Cook, Olive Patterson, Betty Otto, Elizabeth Terry, Kathleen Neuborg, Lillian and Doris Breddo, Sara and Kathryn Burgess, Helga Wohler, Ella Ross, Evelyn Jefferis, Alice Maguire, Anne Compton, Honora Snyder, Nellie Fratanoni and Eleanor Michaelson. And, of course, their dashing swains, too numerous to mention. The lucky number dance was won by Miss Kathleen Neuborg and Roy Gowland, with the winning number of 49.

The patrons and patronesses for the prom included Mr. and Mrs. Charles B. Pennypacker, Mr. and Mrs. Warren H. Cocklin, Mr. and Mrs. Harold W. Helveston, Mr. and Mrs. Paul Keever, Mr. and Mrs. Frank H. Elmore, Mr. and Mrs. George A. Mead, Mr. and Mrs. Charles Hayes, Jr., Mr. and Mrs. James C. Sellers and Dr. and Mrs. Bertrand K. Wilbur. The committee in charge, which included Florence Mead, Janet Hayes, Ross Wilbur and Bob Elmore, is certainly to be congratulated on the success of the affair, which was one of the best ever given to the seniors by the juniors.

Dr. J. J. Schenks is confined to his home on Grayling avenue with a severe cold contracted while attending the races at Havre de Gras.

Miss Sarah Hoake and Miss Mae Wilkie entertained at a shower Tuesday afternoon at the home of Mrs. Alan Kirk, 104 Elmwood avenue, in honor of Miss Louise MacMorran, daughter of Mr. and Mrs. George MacMorran, of Athens, Pa., whose marriage to Dr. Harry Thomas Meikle, M. D., of Troy, Pa., will take place in June. Among the guests were Miss Josephine Tyson, Miss Margaret Eckbert, Mrs. Leidy B. Heckler, Jr., Miss Florence McKay, Miss Frances Hayes, Mrs. A. T. Kirk, Miss Florence Timlin, Miss Charlotte Eckfeldt, Miss Nellie Wetherill, Miss Frances de Cou, Miss Ethel Williams, Mrs. M. Elsbree, Miss Ida Munro, Miss Isabelle Ross, Miss Margaret Gassner, Miss Frances Fricke, Miss Esther Cherry, Mrs. D. Perishich, Miss Amy Enion, Miss Marjorie Church, Miss Florence Bishop and Miss Mary Hoover.

Miss Jane Chamness will entertain this afternoon at her home on Avon road, at a bridge party. Her guests will include the Misses Myrtle Schliof, Elizabeth McKee, Rebecca Walls, Florence Greenwell, Esther Clegg and Helen Maumma.

Mrs. M. Donnelly, who has been spending the winter with her daughter, Mrs. H. F. Stevens, of Haverford avenue, left last week for Hartford, Conn. She will stay there for a while, and then go on to Pontiac, Mich., for the summer.

Accompanied by Miss Filler, the instructor, the senior Latin class at Lower Merion High School attended the final performance of "Hades, Inc.," the opera given by the U. of P. Glee Club, on Monday evening. The students included Eleanor Azpell, Helen Pendergrass, Evelyn Patterson, Marie McElroy, Mildred Odiorne, Ellen Shaw, Patty Sellers, Elma Keese, Kathleen Quinn, Jean France and Robert Kessler and Hyde Ballard.

Miss Carrie Louise Douglas, of Elm Terrace, entertained at a bridge party at her home last Saturday, when her guests were Betty Jones, Kitty Trowbridge, Alvina Young, Phyllis Grant, Alice Patterson, Betty Tuttle, Molly Irish, Mary Pendergrass, Janet Caldwell, Betty Phillips and Polly Phillips.

A surprise shower and birthday party combined was given recently at the home of Mr. and Mrs. John J. Ryan, of Ardmore, by Miss Dorothy Ryan and Mrs. Frank R. Abbott, of Narberth, and girls of the Merion Title and Trust Company of Ardmore, in honor of the engagement of Miss Martha B. Green, of Highland Park, and Mr. D. Ronald Townshend, of Philadelphia, formerly of New York City.

Among the guests were the Misses Betty Stroupe, Florence Hutchinson, Irma Morgan, Elizabeth Sweeney, Anne Hart, Mary Barrett, Jean Arnold, Eleanor Lagan and Marie Ryan, all of Ardmore; Mr. and Mrs. William H. Green, of Highland Park; Mr. Ronald Townshend, Mrs. Milburn Trimble and Miss Agnes Nugent, of Philadelphia; Mr. Frank R. Abbott and daughter, Dorothy, Miss Anne Kirk, of Narberth; Mr. and Mrs. A. Alfred Johnson and daughter, of Drexel Hill; Miss Betty O'Neill, of Bywood; Miss Jennie Hunter, of Gladwyne, and Mrs. Josephine D. Shoemaker, of New York City.

The table decorations were carried out in pink and green. A large birthday cake was placed at one end of the table and at the other a bride and groom placed on a platform beneath a beautiful wedding bell, made and dressed by Mr. and Mrs. Abbott. Dainty refreshments were served, including ice cream moulded into lovebirds, hearts, engagement rings, cradles, slippers, cupids and bells.

METHODIST MULES B LEAGUE CHAMPS

Emergence on Top at End of Third Inter-Church Bowling Series.

WIN EIGHT STRAIGHT

By winning eight straight points from the Marathons and the Boosters the Mules finished the bowling season in a blaze of glory. Although the Mules were a green team at the beginning of the season it did not stop them from establishing many records, nor did it stop their climb from last place in the first period to the first place in the last period. These last two matches saw Thomas roll 208 and break Sellards' record of 207, which also broke Thomas' previous record of 206. The Mules rolled a 812 game against the Marathons to break the old mark of 783. The Mules also averaged 100 pins per game which is also another record.

RE-ELECT CORSON COMMITTEE HEAD

Love Feast Marks Session of Republicans—L. M. Board Will Meet.

TO MAKE TWO CHANGES

An almost full attendance by Lower Merion and Narberth representatives marked the annual organization meeting of the Montgomery County Republican Committee held Monday morning in Norristown City Hall. Practically everyone of the district delegates who were elected here in the April primary was present for the session.

The affair was a preliminary to the reorganization meeting of the Lower Merion Republican Committee, which will be held in the township building at Ardmore some time this month. At this, a new chairman to succeed Squire I. Warner Arthur will be chosen as well as a new woman vice chairman.

The meeting of the county committee at Norristown was a political love feast marked by the same complete harmony that characterized the recent primary.

Those re-named to office were George Corson, assistant district attorney, as chairman; Mrs. Mabelle C. Kirkbride, of Norristown, as vice chairman, and Register of Wills Robert C. Miller as treasurer. Secretaries selected were Prothonotary Isaiah Haldeman, Norristown Borough Clerk Lester Smith, Fannie Allen, of Ambler, and Mabel Seidentopf, of Glenside.

of Ardmore.

HEADS GLEE CLUB

Miss Grace Elizabeth Houston, of New London, Conn., has been chosen president of the glee club of the Connecticut College for Women for next year.

Miss Houston, the daughter of Mr. and Mrs. James R. Houston, is a former resident of Narberth and received her early schooling at Narberth and Lower Merion.

IT IS A MYSTERY

The editor was shown a percolator Thursday night. That, in itself, is nothing unusual, but this gadget is now installed in Crane's window for those who pass to wonder at. The said editor fished around the machine at close range for a quarter hour and could not figure out how the coffee gets back in the pot. If any reader is more observant, please drop in at the office. Mr. Crane claims he is also at a loss to explain the device.

A SPRING EVENT

Many people from Narberth are planning to attend the annual little garden day sale at Bryn Mawr next Friday under the auspices of the Main Line Federation of Churches. Mrs. C. C. Tyson, of Sabine avenue, is chairman of the Luncheon Committee, and with her aides is planning to serve many guests.

Children can have an especially happy time at the little garden day sale this year as well as the grown-ups, as there will be Punch and Judy, pony rides and other surprises.

Many valuable vegetable and flower plants have already been promised by owners of places. Generous donations have also been received from local merchants.

Mr. Alexander MacLeod will be on hand to advise beginners how to start their gardens. This is your opportunity, if you have not had one, to start a new garden.

The Lower Merion High School band have offered their services for the afternoon.

AUXILIARY TO ENTERTAIN

Members of the Bryn Mawr American Legion auxiliary will be the guests Tuesday evening at the regular meeting of the local auxiliary to be held at the Legion room in the community building.

Plans are completed for the sale of poppies in Narberth on Poppy Day, Saturday, May 19. Narberth folks are asked to purchase their poppies at home.

FISHERS NUMBER 1742

Men and women in Montgomery county eligible to go fishing this year number 1742, according to County Treasurer Fox, at whose office at Norristown that number of fishing licenses have been issued. The total is about one-third of the number issued last year, but it will increase before the vacation season begins. This year's fee is \$1.60, which is 50 cents higher than that of 1927.

At the Theater

Virginia Valli in "The Escape" will open at the Narberth Theater next Monday and Tuesday.

"The Escape" is a modern adaptation of Paul Armstrong's great stage hit and offers Miss Valli some of the finest moments of her screen career.

New York, with its teeming tenements and its glittering night clubs, has been used by the director in thoroughly modernizing Armstrong's magnificent play.

Thrills galore are in store for patrons of the Narberth Theater with the showing of "Coney Island," which opens on Wednesday and Thursday.

Lois Wilson and Lucila Mendez are the stars.

One of the many features of "Coney Island" is a ride down the giant "dipper," one of the largest and most terrifying riding devices in this country.

Another thrill is the fight, where half a dozen master battlers match themselves against 30 male riders on the roller coaster.

Romance, thrills, danger, suspense, surprise—all these things are truthfully depicted in this stirring drama which has been directed by Ralph Ince.

Columbia has produced another winner in "The Wife's Relations," a hilarious comedy of the complications of married life, which comes to the Narberth Theater Friday and Saturday.

The plot revolves around a young inventor and his marriage to a beautiful heiress, who has run away from home and become an elevator operator in order to avoid a union with a man who is distasteful to her.

Shirley Mason gives an excellent portrayal of a wayward girl, who always gets her own way. Gaston Glass makes an ideal husband and struggling inventor. Ben Turpin holds the center of the stage with his antics and Arthur Rankin keeps the audience in good humor with his impersonations as a maid.

**Always...
a square USED
CAR deal from
the Buick Dealer**

The Buick dealer is in business to stay. His future reputation depends upon his treating used car buyers fairly.

He wants to please used car purchasers because he knows that satisfied used car customers are prospective new Buick buyers.

The man who buys a good used car—honestly represented—at a fair price—receives splendid value in transportation.

In his enthusiasm for the car he has bought, and the value he has received, it is only natural for him to look upon the dealer as his friend.

The Buick dealer has many such friends because he represents the true condition of the used cars he offers for sale.

And that is good business—for the Buick dealer, as well as the used car buyer.

On Sunday evening, May 20, we are to have an address on the "Rock of the American Republic," by Hon. Clinton N. Howard, "the Little Giant of the American Platform." Mayor Mackey has publicly stated that there were over 30,000 KNOWN bootleggers operating in Philadelphia when he took office last January. According to common report this nefarious business is operating to an alarming extent in Narberth also. These lawbreakers are defying the very Constitution of our land. This anarchy must not go on unchallenged. The meeting next Sunday, May 20, is a call for action. Let every true patriot come.

Hold Third Meeting

The Main Line Booksellers' Association held their third monthly meeting in the very attractive shop of Field and Shaw in Wayne last Monday evening. Matters of importance prevented the attendance of Mr. A. C. McCawley and Mr. Graham Shaw presided in his stead. There were also present: Newman F. McGirr, the secretary of the organization; Mrs. Graham Shaw and Edward Shaw; Miss Whitford and Miss Coit of the Twickenham Book Shop; Mr. & Mrs. E. A. Sullivan, Mrs. B. W. Sullivan and Miss B. Sullivan of the Book Shoppe; The Misses Elsie and Mabel Stockett of the Aladdin Studio.
It was the usual social gathering with informal discussion of business matters, but the members were particularly enthusiastic in expressing their appreciation of Mr. Shaw's hospitality.

Swimming Club

Spring Lake

Paoli, Pa.

The primary object in joining a club of this kind is that one may go there for a couple of hours in the evening for some real exercise and relaxation or enjoy a whole day in the great outdoors.

Spring Lake, because of its accessibility to the Main Line and its natural beauty, makes it irresistible. The location, combining the attractions of woods and fields, provides ideal picnic spots. The lake affords quiet, shallow water for canoeing. There is a beach for timid swimmers and beginners, and for the more advanced swimmers and divers every facility for water sports, tennis, basketball and other sports is offered. The year-round membership includes ice-skating privileges.

There is health in the great outdoors—health in its fullest sense—physical, mental, spiritual. Our late President Roosevelt said: "To be fit mentally, one must be fit physically." This exclusive little place will serve the latter purpose.

Adults, \$10.00; six to sixteen years, \$5.00. Children under twelve years of age must be attended by adults. Guest, accompanied by member, 50 cents. Special rates for families. Swimming instructions, six lessons for \$5.00.

A Newton truck delivering coal is a sign of thrift

Earn the respect of your neighbors and save money by ordering your Newton Coal now

A keen business man last week said, "Jones got the job as my sales manager. It was pretty close but he proved he was shrewd—thrifty in his personal affairs—so I guess he will look after my interests. For instance, he put in next winter's coal last week. That showed foresight and thrift. And then, too, he ordered Newton Coal. That showed judgment—a keen sense of value and quality."

Of course you are judged by your associates. And every one in the neighborhood will comment enviously over a Newton truck delivering next winter's coal to you now.

Now is the time

The price is now low and there is no doubt

that it will be higher next fall. To buy now will effect a real saving in money—more by far than any investment can bring. You should buy your coal now for economy sake.

Newton is the coal

Quality . . . quality . . . quality! There is no substitute for quality. And Newton Coal is the standard of quality. We work unceasingly to select the finest—and then reclean and regrade it until it is the highest quality you can get at any time. Particularly now can we get the finest coal—and our present stock was never better. The selection of Newton Coal shows good canny judgment.

SIX MUST STAND

Thirty-six Dollars Would Provide Necessary Chairs for Library.

About 90 interested individuals and organizations have contributed a total of \$464 out of the original \$500 asked for new library equipment. The amount already received will purchase first of all the double stack providing shelving for about 800 books. This will relieve the congestion that has been making it necessary to place books anywhere on top of others wherever space could be found. It will also provide the necessary lighting for those shelves, since Mr. Ernest C. Drew, who planned the shelf lighting already installed, and contributed the time and labor, has offered to do the same for the extra lighting now required. It may also be said in this connection that this method of lighting has been examined at the Narberth Library and adopted by several libraries who up to this time had not found a satisfactory solution to their own lighting problem.

The next step as the money was received was to order filing and display space for the magazines, which so often are found in what is sometimes considered as "artistic disorder" on the reading tables. A magazine rack will hereafter house and display these magazines.

These purchases, with a bulletin board for the children's department, have exhausted the \$464 already received. The uncompleted portion of the original program included six chairs, for which the final \$36 is needed. This amount will purchase the six chairs at \$6 each and will provide seating space for that number of persons who, coming to the library on the warm days of summer wish to rest while they select their books, or will make it comfortable for the boys and girls while they are consulting the encyclopedias for their school reference work.

The library hopes that some one person will provide all six chairs or that six persons will each provide one.

UNION MEETING WEDNESDAY

A Union Meeting of the Narberth Church congregations will be held at the Lutheran Church on Wednesday evening, May 16, at 8 o'clock. Mrs. Ketcham, of the Kensington Neighborhood House, who is also known as the Philadelphia Santa Claus, will give an illustrated lecture upon her work in the Kensington Mill district. A silver offering will be taken.

upon graduation in June. Present plans call for a handsome magazine rack which is to be donated the school library as a memorial. Seniors Prepare for Trip.

June 4, 5, 6 are the days set aside by the senior class for the annual pilgrimage to Washington, the nation's capital. There will be more than 50 persons in the party, including three teachers who will make the trip with the students.

Douglas Fleming, the class treasurer, is mighty busy these days making plans for the trip and mapping out the places of interest. It is planned to visit the Capital building, Mount Vernon, the Congressional Library and every other site of interest that can be seen in the three days' time.

Saturday, Lower Merion won the Class B title at the Swarthmore Interscholastics for the third straight year. The Maroon and White was well out in front with a final point score of 32.

The other suburban schools all trailed Lower Merion, and it begins to look as though the Suburban Championships will again go to Coach Adam's trackmen. Bobby Corrigan, captain of Lower Merion's team, set up a new record in the high jump, when he leaped five foot nine inches, beating the old record by a full inch. Other point winners for Lower Merion were Dockins, Cave in the high jump; Mearns and Neely in the shot put; Gerrenbeck, Lloyd, Smith, Sigel made the remaining points in the dashes, pole vault and javelin throw.

Net Men Near Top.

Up until Monday afternoon Lower Merion's tennis team enjoyed undisputed possession of first place in the Interstate Tennis League. This league is composed of teams from New Jersey and Pennsylvania, including both high schools and prep schools. There are more than 14 schools represented and to be the leader of such a group is no mean accomplishment.

Monday afternoon Lower Merion was pushed off top rung by the visiting Central High School. Central took the tourney, three matches to two.

The boys that represent Lower Merion on the tennis team are: Captain Zipperlen, Alan Cook, Frick, Lockwood, Roache, Fretz. In the five meets in which Lower Merion has taken part so far it has won 19 matches and lost six, which places it second only to Lansdowne High.

The NASH ADVANCED SIX COUPE
with Rumble Seat \$1775 f.o.b. factory

One of the most popular Coupes of the year
NASH Styled-NASH Priced

When you buy the Nash Advanced Six Coupe you buy style and individuality as distinctive and original as the creations of the most expensive custom body builders.

But because this Coupe is produced in a factory where great volume prevails, you do not pay a custom price.

Listen to the favorable comment you hear on all sides, concerning this smartly turned out car. Then drive it and learn that its performance also matches the ability of higher-priced cars.

Notice the smoothness and quiet-

ness and extra power of the famous, precision-balanced, 7-bearing, valve-in-head Nash motor.

Steering ease is another attraction. Nash is noticeably easier on the arms that steer and park the car.

And there's no getting away from the fact that Nash 2-way 4-wheel brakes provide extra safety and require less care than the single-action brakes on other cars.

You get more than you pay for, when you buy a Nash. It's finer motoring, at a lower price. We have the Coupe on display. Come in and see it.
